## CORRECTIONS

• **Goku #2** was accidentally printed on newsprint instead of our regular high-quality book paper. Oops.

• **Furrlough #13** was indeed an unlucky issue. The table of contents incorrectly read, "Issue #11" - never fear, you bought the right issue.

## WORDS FROM A HIGH-ER PLANE

How do you get your Antarctic Press comics? Do you buy them at your local comics store? Do you order them directly from Antarctic Press, or do you have a subscription? Do you borrow them from your friends, or buy them at conventions?

Many people have written or called us, telling us how hard it is to "find" our comics in their area. Sometimes, they say, their local store only orders one or two copies, and sells out before they can get to them. Sometimes, store managers complain that there is not enough interest, and avoid ordering Antarctic Press titles altogether. Occasionally, store managers claim that they cannot get our books from their distributor, or *That Very Book You Are Scouring The Planet For* is cancelled.

Don't worry, our books *are* coming out (mostly on time, but sometime late, I admit), and they *are* reaching the shelves. But, as with all small comic companies out there, sometimes our comics have a hard time reaching everyone who wants a copy.

There are some actions you can do, however, to make sure that you get all the Antarctic Press books that you like.

**READERS:** First of all, talk to your store owner or manager; let him or her know exactly what you are looking for. If the store's employees aren't aware of what you

want to buy, they are not going to order it. Check to see if your store has an advance-order system, or a subscription service. Ask if the store has copies of their monthly distributor catalog that you can look through. Frequently, stores give discounts on comics ordered in advance. We greatly prefer that you buy our books at your local comics store, but if that is not an option, everything that we publish can be ordered directly through Antarctic Press - check out the back issue listing that is printed with most of the comics we publish (usually on the inside back cover).

**RETAILERS:** If you are a store manager, and you have difficulty ordering Antarctic Press comics from your distributor, let us know. We can help you track down the problem and make sure that you get the books that you are ordering. Also, keep in mind that we happily fill all retail-store reorders, and we are willing to sell directly to comics stores (anything we have in stock, no minimum, at a hefty discount), if that's what it takes.

\*\*\*\*\*

Hey! Is there a comics store in your area that you would like to recommend to other Antarctic Press fans? By all means, let us know! Send in the store's name, location, and a few lines on why you think that particular store is so great. If you know several wonderful stores, send them all in. (Store managers - yes, you can nominate your own store, too). We'll

# EDITORIAL RAMBLINGS

ELIN WINKLER

**H**ello and welcome to **Furrlough** #14! Since Shon's on vacation, it's up to me to do the editorial this go 'round. We've got a great issue this time, starting off with Mark Shaw's inspired conclusion to "Walter Kitty of the S.S.C.P.A.". Pat Kelley's "Watering Hole" continues and fan-fave Kurt Wilcken rounds out the proceedings with a fanciful, high-flying tale of our boys "over there". Noted "Tiny Toons" animator Cindy Crowell graces our cover with her fab rendering of the toughest mule this side of the Atlantic. We'd hoped to have another letters column this month, but it just wasn't in the cards. Send in those letters, folks!

While I'm thinking about it, I'd like to remind all of you about our sister titles. **Wildlife** #5 and **Genus** #4 should be on the stands any second now, both packed with furry fun! **Wildlife** #5 features Joe Rosales' "Wildlifers", "Buffalo Wings" by John Nunnemacher, plus the return of "Sarah & Ginnie" by Erica Missey and yours truly. **Genus** #4, the "All-Bondage Issue", features hot stories by Nebel Ungen, Brian Sutton, Roseld Laguatan, and the creative team of Tabitha R. Jones & Michael James. Plus steamy pin-ups by Rosales, Crowell, Rags, and Shon! Check 'em out!

Since the opportunity to do editorials doesn't come my way all that often, I'd like to take the chance to say a couple of things about submissions. Our "slush pile", as it's called, is by no means small, so I'd like to give all you hopefuls out there a few "do's & don't's" to help you in your attempts. **Do** check the spelling, punctuation, and grammar on your story before you send it off! **Don't** send us five hundred pages of completed inks; always send pencils first in case there are any changes that need to made. If you're a writer, **do** send us several samples of your writing. **Don't** send us eighty pages of background information, but no story. **Do** print your name, address, and phone number on the back of each page. **Do** send a cover letter with your submission, but **don't** put yourself down in it. **Don't** give up and **do** keep practicing! That's about all this time through. Have fun and keep those letters coming!

I'VE BEEN WANDERING AROUND FOR OVER AN HOUR-- I'M HOPELESSLY LOST--! --?!-- MY SHIP ISN'T RESPONDING TO THE CONTROLS ANYMORE--! --AND IT'S HEADING FASTER NOW-- TOWARD THAT GIGANTIC PLANETOID--

OH... OH... OH...!

I WOULD LIKE AN EXPLANATION

YOU ARE CONTROLLING MY OFFSPRING--! WHY?!

--FORCED TO COME HERE BY CARLA CORMAN AND HER PIRATES--!

CORMAN! YES! I HAVE HEARD OF CORMAN

I ESCAPED FROM HER FLEET WITH THIS ONE--

BUT SHE'S FORCING THEM TO MINE ANTI-SPON RIGHT NOW--!

AND IN THE 20TH CENTURY...

THERE! BY CAUSING A CONTROLLED POWER SURGE WHILE ADJUSTING THE REGRESSOR...

...YOU'VE GOT SOME R&R COMING!

-- I'VE DONE IT, WALT! I'VE ESTABLISHED YOUR FUTURE LIFE ON THE VIEWER--!

I'M GOING TO TRY TO DUPLICATE THE ACCIDENT FROM BEFORE--! ARE YOU WILLING?

--THIS COULD BE DANGEROUS--!

YES! ANYTHING! I'VE GOT TO GET BACK TO MY OWN TIME!

I'M BACK! I'M BACK IN THE 28TH CENTURY IN MY OWN BODY!

So...

WELL, I'M GLAD YOU'RE BACK IN YOUR RIGHT MIND AGAIN, WALTER... -- I'M SURPRISED YOU'RE NOT INSIDE WATCHING SPACE BEAVERS...

-- SPACE BEAVERS?! HAH! THAT'S KID STUFF!

RIGHT NOW IT'S JUST NICE TO SIT BACK AND LOOK AT THE STARS... I KNOW WHAT YOU MEAN...

RR-FEEDBACK--! AAAARRRRRGHH!

THE 28TH!

-- WHAT HAPPENED? IT LOOKED LIKE THERE WAS AN ENERGY FLASH OR SOMETHING!

WALT! ARE YOU ALL RIGHT?!

GET CORMAN OFF HIM!

GASP!

...TOO BAD THE PEACE AND QUIET IS MARRIED BY THE NEARNESS OF ARKVILLE ASYLUM...

YEAH...
